I understand that the ACT Government (the Territory) does not meet all claims for injury, disease or illness to students resulting from school activities or school organised excursions. Claims are only met where there is a liability to do so. Liability is not automatic and depends on the circumstances in which the injury was sustained. I understand I should obtain my own advice about insurance protection which may assist in meeting expenses if my child is injured in circumstances where there is no liability on the part of the Territory. The ACT Ambulance Service provides free ambulance transport for students who are injured or suddenly become ill at school or during school-approved activities within the ACT. Excursions to states and territories outside the ACT are not covered by free ambulance transport.

In serious cases where medical attention is necessary, and a parent/carer is not available, I authorise the school to make arrangements for the welfare of my child (including transport and medical/surgical treatment).

I agree that my child/children will be under the authority of the school for the duration of the excursion and that the school is authorised to return the student home at the expense of the parent/carer if the school considers that circumstances warrant such action.

The medical information and emergency contact numbers for my child/children held at the school are correct and up to date. Please contact the Front Office as soon as possible if this information needs to be updated.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. Parents/carers should be aware that staff members are not responsible for injuries or damage to property, which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents/carers should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

It is customary for the school to request a financial contribution towards meeting the cost of your child's participation in this camp/excursion. These contributions are voluntary. The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents/carers are unable to make the requested contribution.

The cost of buses is non-refundable as the total number of children travelling determines the price. If a refund for the excursion (excluding bus fares) is required please make a request in writing to the Business Manager, as soon as possible after the excursion.
