Information for Families

Congratulations to our Graduating Year 6 Students

We wish you all the very best for the rest of your school journey. Also, congratulations to Gaatha Brahmhaat, who was the recipient of this year's Year 6 Citizenship Award.

End of Year Concert

In case you missed it, please [click this link](#) to access our end of year concert.

Thank you all for your continuing support in 2020. We have learnt many things along this journey, including that we won't be stopped! Please enjoy our traditional End of Year Celebration songs and dances directly from school to your screens. As you will see, the students and teachers enjoyed the experience.

2021 Teachers and Class Structure

Yesterday, students participated in their 'Moving Up Day', and had a great time meeting their 2021 teachers and classmates. Please see below our class structures for 2021. If for any reason we need to change the teacher for a class, we will contact families prior to the commencement of the school year. Please [see this link](#) for our school staff structure for 2021.

Library News

Thank you to the parent/carer and community volunteers who have assisted in the library for our stocktake. Much appreciated.

Holiday Reading opportunities

Please note access to SORA (where students can borrow e-books and audiobooks) continues throughout the holiday break. Visit <https://soraapp.com/home> or access through the digital backpack. Students select ACT Education Directorate as their school and sign in with their usual login details.

Also our Story Box Library subscription continues over the holiday period and students can access books through the Story Box Library website <https://storyboxlibrary.com.au/> username is **FraserPrimary** and password is **Tillyard**.

Finally Libraries ACT has a free summer activity booklet for primary school students to help them stay engaged with their learning during the summer break. The resource pack includes word activities, reading challenges, and colouring activities all inspired by the Queensland State Library. These activities help students strengthen their reading and writing skills in a fun and creative way. This is a great opportunity for parents and carers to be a literacy champion and continue to help equip children with the skills they need for success over the holidays. The 2020 Summer Reading Resource Activity Book is available from:

Happy Reading,
Stephen James (Library)

Have a Safe and Happy Summer Break

Thank you to the fantastic Fraser Primary School families who support us each and every day to help every child reach their full potential. Best wishes for a safe and enjoyable holiday period.

All the best to our families moving on from Fraser Primary School, we hope to cross paths again one day.
