

Parents/Carers of Year 3/4 students

The Year 3/4 staff have started their journey to assist students with learning different mathematics concepts. To help us do this we are asking that you give permission to sign your child up to Studyladder. Studyladder will be used by teachers as a resource. It is a sequential learning program that includes videos, interactive activities, worksheets and assessments for reporting to teachers and to parents/carers.

You do not need to sign your child up. The Year 3/4 teachers will do this once we have your permission.

Please find attached the permission form which is autofill. We would appreciate it if all permission forms could be returned via email. We understand that this may not be possible for all families, if it is not possible, please reply to this email with your consent or non consent.

If you have any questions please contact Sarah Rossiter: sarah.rossiter@ed.act.edu.au

Thank you for your ongoing support,  
The Year 3/4 Team

Please return this form via email once completed
