Returning to Fraser Primary School in 2022 and Class Preferences

Is your child returning to Fraser Primary School in 2022? Please email either of our lovely deputies, Rikkie Klootwijk and Ian Blackwell, if your child will **not** be continuing. If you have any information about your child and potentially positive learning buddies, please email info@fraserps.act.edu.au and provide as much information as you can regarding your child. While we endeavour to accommodate requests, we cannot guarantee that all parent/carer requests will be possible. **Additionally, please understand that this is in no way an invitation to 'choose a teacher'. While we absolutely would like to engage with families to understand and support children to the best of our ability, the school will make decisions regarding class teachers.**

Please note that we cannot accept emails regarding this information after **Friday 19 November 2021**.

Student Absences

There are a significant number of children who still have **unexplained absences** outstanding for the 2021 school year. Parents/carers have a responsibility to inform the school and provide a reason for every absence. It is a requirement of the ACT Education Directorate for schools to send official letters to families after a certain number of unexplained absences. This has been a very tricky year and we completely understand how absences might have gone unexplained. If you would like to sort this out before receiving a formal letter, please feel free to call the Front Office on 6142 0520 and we can assist you.

Only one family can enter the school at any time and must completely finish their purchase and exit prior to the next family entering. Masks, hand sanitiser and social distancing measures will be in place. Families are not to enter the room where the uniforms are stored. Phone or email orders are still open for those who do not want to attend in person.
