## Information for Families

### Camp Cooba

Our Year 5/6 students had an amazing time at Camp Cooba last week. Please [click here](#) for some highlights and reflections. Thanks to the staff that organised and supported this special camp experience.

### Managing Hazardous Materials

For information regarding asbestos and lead paint at Fraser Primary School please read [this](#) information from the Education Directorate.

### Library News

Please see this [link](#) for resources that you can use at home to support reading during the holidays.

### Parking on Tillyard Drive

A reminder to parents and carers when collecting your children at the end of the day, to park in designated parking areas, not in bus zones or in such a way as to block traffic on Tillyard Drive. We thank you for parking at the Fraser shops, it certainly helps to reduce the congestion in the front car park. We also ask that you use the underpass with your child/ren to model safe crossing of a very busy road. Using the underpass is the safest option for crossing Tillyard Drive. A school pedestrian crossing is also located on Shakespeare Crescent.

### Enjoy your Holidays!

What a jam packed term we have had at Fraser Primary School! We hope that you enjoy the holiday break and some time with your family and friends. Stay safe, and we look forward to seeing you back at school on Monday 19 April 2021.
