### ANZAC Day Assembly

This Friday we will be holding our annual Anzac day assembly online. A link will be sent out to families *after* the ceremony.

### Breakfast Club

Eating breakfast every day can have a positive impact on learning, especially in regards to attention and memory. At Fraser Primary School we are lucky enough to have a Breakfast Club program which runs once a week, the program gives students a chance to grab some breakfast, have a chat and get in the mood for learning. Each Friday, the very popular Breakfast Club runs from 8.15am until 8.45am and is run and coordinated by staff volunteers, who very generously give up their time. The program is open to all students, whether they have already had breakfast at home, have not had breakfast at all, or are hungry again when they get to school and is completely free of charge. There is a fantastic atmosphere at Breakfast Club, with students eating together happily. Many Fraser Primary School staff also drop through to grab a toasted sandwich to get them through the morning. The program ensures that all of our students have the best possible start to their day of learning, by ensuring they are fed with warm toasted sandwiches, toast, milk and fresh fruit. We even sometimes spoil them with breakfast muffins and pancakes. The Breakfast Club volunteers also provide plates of food for students who arrive after the bell, so that they can enjoy a healthy breakfast before they start their learning. Everyone is welcome at Breakfast Club.
