

Dear Fraser families

Fraser Primary School values the partnership we have with families. Voluntary contributions provide an avenue for partnering and providing resources that support and extend your child's school experience.

This year's contributions will help fund:

- Plants, landscape materials, and outdoor furniture to enhance outdoor learning spaces, ensuring students' wellbeing and learning needs remain our highest priority
- Furniture and other items to support alternative learning programs and activities
- Resources to support imaginative play, fostering creativity and exploration.

The School Board thanks the Fraser Primary School community for their continued support to our school through voluntary contributions. Previous contributions have been used to support the provision of library books, flexible furniture, and sensory items to support learning and improvements to outdoor learning spaces.

Contributions can be made to the Fraser Primary School General Fund, the Library Fund, divided between the two funds, or to both.

It's important to note that contributions to the Library Fund are tax deductible, and all these funds must be spent on resources for the library.

**Contributions of any amount are welcome and greatly appreciated.**

Suggested voluntary contributions based on the number of your children that attend the school are provided below:

- \$160.00 for one child,
- \$220.00 for two children; and
- \$280.00 for three or more children.

We understand there may be economic pressure on families. An instalment scheme continues to be available to assist families in paying smaller amounts throughout the year, such as \$40.00 per term.

Thank you for your support,

Mandy Snashall, Mark Deeker, Ian Blackwell and Rikkie Klootwijk

School Board Chair and School Leaders

**Please note:**

The payment of this financial contribution to a government school is voluntary. The Education Act 2004 guarantees that:

- a. each contribution must be voluntary,
- b. a child is not to be refused benefits or services because the child's parents/carers do not make a contribution,
- c. a child is not harassed for contributions, and
- d. any records of contributions are confidential.
