Information for Families

2021 information sessions

This term, teaching teams will be providing staff and program information digitally. Next Friday (19 February), please look out for a link to a video and/or slideshow shared by your child's teaching team. It should give you lots of information to start the year.

Reporting survey

At the end of last year, we asked for your feedback regarding student reports. If you have not provided a response, we would appreciate your input. Could you please take a few minutes to [complete this survey](#), and help us refine our reporting processes.

Library News

Please [click this link](#) for a message from our Librarian, Stephen James about library sessions and Scholastic Book club.

Safe Parking Behaviours

Road safety is a shared responsibility, and it is important the [road rules](#) are followed near our school to ensure the entire school community feels safe.

Please remember children are more at risk than adults around schools because they are smaller and less visible to drivers. They are also less predictable and less experienced, which makes them more likely to make errors of judgement.

Unsafe behaviours such as driving across the reserve behind the school, or parking on the verge, in no stopping zones, in bus stops, near children's crossings, on footpaths or across driveways increases the risk to children around schools. If you use the streets around the school to drop off or collect children, please be mindful of our neighbours and park safely and legally at all times.

Please do the right thing to create a safe environment around our school.
