### Sad Chicken News

During the summer holidays, a fox broke into our chicken enclosure and killed our three chickens. We are feeling very sad about this as we thought our chicken enclosure was pretty safe. We would like to get some more chickens, but want to make the yard safer first. If anyone in our community has the skills or knowledge to help us with this, we'd love it if you could get in touch. Please email [info@fraserps.act.edu.au](mailto:info@fraserps.act.edu.au).
