

Book Pack Kindergarten 2023

This year, we will be purchasing resource supplies for students in bulk. This will allow the school to access reduced pricing that we then pass on to families. Student supplies will be ordered to ensure delivery is ready for the first day of the school year. These supplies cover all your child’s educational needs across the Kindergarten curriculum.

The Book Pack will include:

- Stationery supplies
- Art/craft supplies
- Exercise books
- Seesaw subscription

If for any reason, you are unable to purchase the Book Pack, financial assistance is available. You are welcome to have a confidential conversation with the Business Manager, Sharon Beaumaris.
