## Information for Families

### Refugee Realities

This term, year 5/6 completed a unit of work titled Refugee Realities. This inquiry aims to enhance student 's understanding of refugees and the challenges and the realities they face in fleeing their countries and settling in a new home. Refugee Realities has been a regular year 5/6 inquiry over the past few years. It has been extremely successful in developing students' awareness of current events, whilst correcting misconceptions and challenging their current thinking. Students have completed the unit with increased compassion, awareness and understanding of the 'reality' for refugees around the world.
