Information for Families

NAIDOC Week

[NAIDOC Week](#) celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. Our students have continued to develop their cultural understanding in inquiry units, daily activities and amazing digital art lessons. Students also took part in an engaging interactive presentation by Wiradjuri Man Larry Brandy. See [this link](#) for our NAIDOC Week photos.

School Board Vacancies for 2021

Please click [here](#) for more information regarding School Board Vacancies for 2021.

Head Lice

We have had a number of reported cases of head lice recently in the School. Please [click](#) for more information.

New Building

Eagle eyed observers may have noticed that temporary fencing has been erected adjacent to our Year 2 portable. The area inside the fencing has been dedicated to a new classroom portable. This new portable will be very similar to the portable erected to start 2020. We understand that this placement will impact on the grassed play space that our students enjoy at recess, lunch and some physical education lessons. We have plans to level the man-made mound in front of the play shed to provide students with an alternate flat grassed area to play. In the mean time the reduced play space will be something we endure while awaiting the addition of a much needed additional learning space. Thank you to our Fraser School Board who have worked with the school and Government to secure this new learning space.

Please make sure you are remembering to pack your brain boost day. We have had a lot of students lately forgetting to pack their brain boost. The Front Office only has a limited supply of fruit to give to students.

2020 VOLUNTARY CONTRIBUTIONS - Supporting your child's learning

Your voluntary contribution goes directly toward purchasing educational resources.

- 1 child \$140
- 2 children in family \$200
